

Dear Colleague:

We invite you to attend a continuing education offering presented by the Washington D.C. Affiliate of the Wound Ostomy Continence Nurses Society (WOCN). These lectures are dedicated to Tye Rose Mullikin and Robert Ebeling, two outstanding nurses from our region who helped advance the care of patients and who were an inspiration to us all. We hope to add to your knowledge as they added to ours.

Sincerely,
Ann Williams
President WOCN DC Affiliate
